Two Suits (Missing one suit)	1	A hand with tiles from only 2 suits and no honors

Consecutive/ Short Sequence/ Short Straight	1	Two sequential chees in the same suit (2-3-4-5-6-7) including 7-8-9 + 1-2-3

Concealed Kong	1	A kong all self-drawn, melded face down is optional
----------------	---	---

Can be melded face up (exposed). This might be an option for creating an exposed hand, which provides an additional point.

Tile Hog

1

Use all four copies of a tile
but not as a kong

All Concealed	1	All elements concealed
---------------	---	------------------------

Flowers are the only melded tiles in this hand.

All Exposed	1	All elements exposed & mahjong on other's discard
-------------	---	---

CAN be combined with “Single Wait for Eye” point.

CANNOT be combined with “Self-Drawn Tile” point.

You will always be able to get 2 points:

Single Wait for Eye + All Exposed = 2 points

or

Single Wait For Eye + Self-Drawn Tile = 2 points

Bottom of the Sea	1	Winning on last tile from the live wall (2 pts if self-drawn)
-------------------	---	---

NOTE: Whoever draws the last tile from the wall does **NOT** have to discard if they can't mahjong.
